Our Book

It is only human to enjoy a little nonsense now and then. It is known that laughter, as well as work, is good for the soul.

This year the staff takes pleasure in presenting as our theme "Brother Sebastian in work and play."

Dear Miss Matthews
You have my
permission to reproduce
some Brother Sebastian
cartoons in the 1960 Crest.
You must also get
Look Magazine's per-
mission, and if you'll
write to Mr. Gurney
Williams, there, I'm
sure he will grant it.

PAULINE FISHER
STALL

WITH APPRECIATION

It is our privilege and pleasure to express our appreciation and thanks to one who has enriched the lives of thousands of E. C. Glass High School students. Her kindness, sympathetic concern, and devotion to young people have endeared her to all who have come to know her.

Earlier, as a teacher of history, she inculcated in her students a pride in scholarship and in their heritage. In more recent years she has played a vital role in counseling students as to future plans and in stimulating them to do their best. Her high regard for learning and for cultural values and her ceaseless effort to achieve these goals have been a major influence in creating a high scholastic standing for our school.

In fond and grateful recognition we take pride in dedicating, this, our 1960 CREST, to one who has earned the love and respect of both students and faculty—a truly wonderful person—

MRS. PAULINE FISHER STALL.

WE WERE FRIGHTENED 8th GRADERS,

SENIOR COUNCIL

Down on your knees, all you underclassmen. Here come the seniors. Say to them "Hail, almighty seniors." Louder! louder. They deserve every bit of praise. They have worked terribly hard this year and have certainly earned a distinguished name for themselves.

The senior class of 1960 is the largest that has ever graduated from E. C. Glass. This year's senior class was the first to ever elect officers in the spring of the junior year. Their foresight proved invaluable in planning early for the senior year activities. At the opening of school the Senior Council was ready to roll.

First came Senior Day with all its fun and

frolic. On this extra-special day the Senior Class scored another first. They formed 1960 on the football field during half time, making a very impressive sight. Then came the Senior Banquet and Dance, another wonderful event.

The Council, guided by Mrs. Aud and Mrs. Macon, worked tirelessly throughout the year, making arrangements for caps and gowns, invitations, personal cards, etc. At last the big night arrived — Commencement. The Senior Class marched solemnly down the aisle attired in the coveted blue gowns to receive their diplomas. The tears came as the Senior Class of 1960 bade farewell to their Alma Mater.

CAPS AND GOWNS — AT LAST COMMENCEMENT

NATIONAL HONOR SOCIETY

The E. C. Glass chapter of the National Honor Society, founded in 1924, has the power to bestow one of the highest honors that the school can give to a student.

To be eligible, a student must have attained the status of the upper third of the senior class, have been evaluated favorably by the entire faculty, and then have been judged by a faculty committee of eleven. These evaluations are based on the leadership, service, and character of those seniors scholastically eligible for consideration.

The pledge of our honor system clearly indicates the standards on which our society is based:

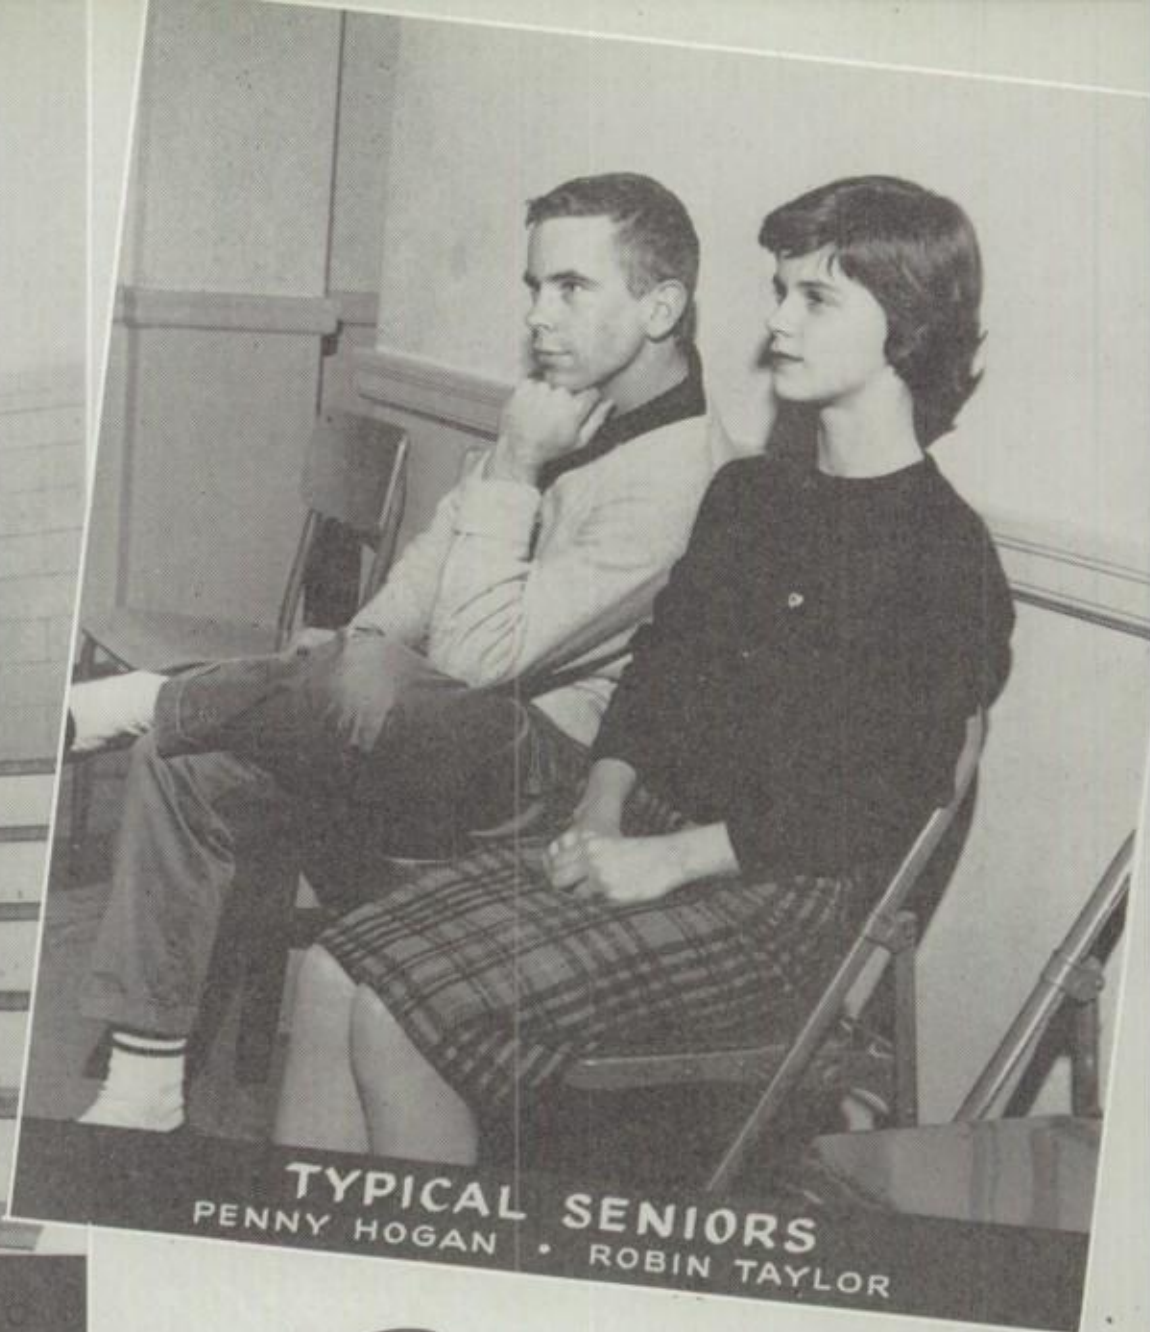

"I pledge myself to uphold
The high purpose of this society
To which I have been elected
Striving in every way
By work and by deeds
To make its ideals
The ideals of my school
And of my life"

MR. L. H. McCUE, JR.

PRINCIPAL

AND HIS THREE ASSISTANTS

MRS. PAULINE F. STALL

ASSISTANT PRINCIPAL

As assistant principal, Mrs. Stall lends her time and talent to helping students solve their problems. From advising seniors on their future plans to checking over myriads of test scores, she runs a full schedule every day. Even with all of this work, she can still find time to talk with students in her warm and friendly way.

MISS MARGARET ARMSTRONG

ASSISTANT PRINCIPAL

Far above and beyond the call of duty, Miss Armstrong helps us with our problems from the ninth grade until now. Especially to the ninth graders Miss Armstrong gives a helping hand in planning their courses and adjusting them to a new environment as high school students. The new student at E. C. Glass never forgets the one person who is friend and adviser, Miss Armstrong.

MR. J. WINSTON MILAM

DEAN OF BOYS

A respected member of our faculty, Dean of Boys, and an excellent Civics teacher, Mr. Milam has endeared himself to all of us at Glass. Although he controls his "charges" with a firm hand, he is admired by the students because he practices what he preaches. His good nature and practical jokes give him a top rating with everyone.

SENIOR STUDENT COUNCIL

More than ever, it seems to us, this year's Student Council has been one of the best, if not the best of all past Student Councils. As always, this year the Student Council sponsored many service projects. Delegates were also sent to District and State S. C. A. meetings and to the Foreign Student Forum. Members of our S. C. A. led discussions at the District Meeting and the State Convention. Also a member of our S. C. A. was Chairman of the State Exhibits Committee.

But this year more, than most years, the students themselves seemed to be more interested and willing to participate, not just in the big things such as the Student Council elections but in the everyday happenings. The morning devotions, for example, have been more widely attended than during any year in the past. This is the real student participation, and, after all, it's the student who makes the Student Council.

IN WORK AND PLAY

JUNIOR STUDENT COUNCIL

The Junior Student Council with capable officers, enthusiastic, hard-working representatives and a capable sponsor, Miss Pribble, was bound to carry out successfully many projects.

Safety posters were made and displayed around the school by the Council. They continued helping with the WLVA Christmas Party and the Annual Lily Sale to raise money for the Crippled Children's Society of Virginia. The Junior Student Council inaugurated a special drive for Toys for Tots at Christmas time; and the ratio of Freshmen who had polio shots was tallied and posted.

The Glass Junior Student Council also sent delegates to the District and State S. C. A. meetings and to the Foreign Student Forum to train for future leadership.

Some Junior Student Council members display traffic posters.

THE HONOR LEAGUE

The Honor League of E. C. Glass, established in 1911, was patterned after that of the University of Virginia. Every student in the school may belong to this organization.

The main object of the Honor League is to promote a spirit of honor and self-respect among the students. This year for the first time Honor Week was observed. Attractive posters with honor slogans were placed around the school. During this time special honor cards were issued to students in an attempt to have all pupils sign the pledge and become aware of the work and spirit of the Honor League. An assembly was the culmination of the week's activities. Miss Virginia Allen, the first president of the Honor League, spoke.

The officers of the Honor League and an elected representative from each class form the Executive Committee and the representatives from each homeroom make up the General Council.

QUILL AND SCROLL

One of the goals of every publication staff member is to be able to join the Quill and Scroll, an honorary high school journalistic organization. To be eligible, a student must do outstanding work in the field of journalism for the "High Times," "Critic," or CREST, must be in upper third of his class, must be recommended by the advisers of these publications and approved by the National Board.

Here at Glass, the Carter Glass chapter of the Quill and Scroll was established in 1928, with the purpose of "aiding the cause of good journalism, furthering the best interest of the community, making reliable and loyal workers of its members and, most important, seeking the truth."

As this year's project the Quill and Scroll is working on a student handbook for incoming freshmen, transfer students, and others seeking information about the school.

With the aid of the faculty adviser, Miss Blunt, the Quill and Scroll most successfully completed another year.

THE CREST

"Step on it! Let's get those write-ups in. We've got a deadline to meet." This is standard talk heard in Room 106, sixth period. Here under the guidance of Miss Cox, adviser, and Ginger Matthews, editor-in-chief, the CREST began to take shape.

In the course of turning out a CREST worthy of many former year books . . . one that will merit a superior rating . . . the first task was to select a theme that could be a framework for the activities of the school. The enthusiastic staff soon found itself with a dummy that came to life with pictures, directories, and write-ups.

The 1960 annual, a well-rounded story of the year, will contain important memories for all and a complete coverage of the academic year.

THE HIGH TIMES

"All the news about Glass that's fit to print" can be found in "The High Times," edited this year by Delores Pribble and Faith Franklin. With Miss Jane Cunningham lending her advice and direction, "The High Times" has soared through another successful year.

Every week, except over holidays, one of the largest staffs ever to serve "The High Times" puts out an edition of the paper. Anxiously awaited by eager students "The High Times" is quickly snatched up as soon as it is distributed.

A self-supporting publication, "The High Times" operates on money from subscriptions, from advertising, and from !! BLUE HORSES !!

The first page headlines such events as assemblies, the choosing of the Citizen-of-the-Month, and the elections of officers for various organizations. On the second page may be found stories, columns, and editorials and an original cartoon. Page three is devoted to a good coverage of the sports events, and page four contains articles of varied interest.

THE CRITIC

Although published only three times a year, the "Critic," under the capable advisorship of Miss Blunt, brings lasting enjoyment to many students at E. C. Glass. The work and time that the "Critic" staff puts into each issue are all important factors that account for its popularity and success. Reading poems and checking stories and essays are only a part of the time-consuming tasks that face the "Critic" staff.

The "Critic" is not only enjoyed by

many students at Glass, but apparently the judges of many publications contests find it interesting, also. This past year the "Critic" won first place in the Columbia Scholastic Press Association, honorable mention in the Southern Inter-scholastic Press Association, and first class in the University of Minnesota contest. These ratings are truly proof of the fine magazine that we students at E. C. Glass High School have . . . our "Critic."

THE GLASS EYE

Each year the incoming Freshmen at Glass have one special thing to which they are all looking forward. This is, of course, "The Glass Eye." Whether as a member of the staff or simply as a subscriber, every Freshman knows this is his paper.

As usual, "The Glass Eye" under the direction of Miss Evelyn Allen, the faculty adviser, and Kathy Hollingsworth, this year's editor, is full of jokes, columns for "advice and counseling," interesting news items, and timely editorials. With the largest and most enthusiastic staff in history, "The Glass Eye" has maintained its originality and fascinating write-ups.

With a production staff and a staff of typists under the direction of Mr. Charles Brown, "The Glass Eye" proudly claims to

be the only publication produced at Glass. The writing staff of the paper consists of several assistant editors, an art staff, and a score of hard-working columnists.

This year "The Glass Eye" continued the practice, begun last year, of sending 100 copies of each issue to Robert E. Lee. Needless to say, these copies are quickly snatched up.

A hard-working staff plus excellent guidance, has again made "The Glass Eye" a paper of which everyone can be proud.

LITERARY SOCIETY

Have you ever been interested in writing but couldn't find anyone with whom to share your interests or to discuss your ideas? About three years ago there was just such a group of students at Glass, but these students did something about the situation. They formed the Literary Society. This club meets once a month in the members' homes to criticize constructively fellow members' writing endeavors, to experiment in the field of writing, or just to discuss trends in writing. Under the capable guidance of Miss Payne, interest in the club has grown steadily. Each year, as a memento, the Literary Society donates a book to the library, in this way sharing with other students at Glass their increased interest in the art of writing.

FORENSIC CLUB

The Forensic Club is composed of two separate divisions: Debate and Public Speaking. Both are headed by lively, well-trained Miss Jane Barringer.

Honeymoons, safety-pins, gold fish or even jellybeans have served as topics for extemporaneous speeches. Participation in this activity guarantees to the fifty members of the Public Speaking Club confidence, self-assurance and poise in place of butterflies, shaky knees and trembling voices.

Twelve extra-audacious students make up the Debate Club which has almost come to blows over this year's subject: Resolved: That the Federal Government should substantially increase its regulation of Labor Unions.

Both branches have been a credit to the school in the District and State Forensic meetings.

THE DAVID

No, don't turn the page! This club is not just for actors, but for anyone interested in any phase of the theatre. The club is composed of fifty members, who are approved by the executive committee on the basis of their hard work and interest.

The David Garrick Players have had a most successful year and have won honor and praise in the school and community. Let's look in on one of the club's productions and watch them in action!

The lights dim and a hush falls over the audience. On stage "good lucks" are softly whispered and wigs are adjusted. The stage manager calls, "Places everybody." Miss Wiley, the director, smiles a smile of confidence, wishes the cast good luck and disappears into the audience to see her masterful production. The play now lies in the hands of the students. Actors stand tensely in the wings listening for the cues; property girls tip-toe backstage collecting umbrellas, frying pans, and heaven knows

what else; stage hands work noiselessly on the various sets, while girls stand in line with powder and rouge to touch up the actors' make-up. At last the curtain is drawn—the first line is spoken and the show is on. What show? Why, PYGMALION of course.

According to "The Virginia Drama News," PYGMALION is difficult for the most advanced college and professional groups, but its challenge was met and conquered by the David Garrick Players to the delight of the audience.

"Our applause goes to the cast, to the drama teacher, to those who prepared the scenery and handled the sets." (Quoted from "The News," Lynchburg, Virginia, November 25, 1959).

On Friday, March 5, 1960, our young troupe of Thespians went to Pulaski, Virginia to present "The Flattering Word" in the One Act Play Festival and received a distinguished rating. Then they went to Charlottesville, Virginia and captured another distinguished rating in the state.

GLASS PALETTE

The Glass Palette is an outstanding organization for students who are artistically inclined. Anyone who is interested in becoming a member of the club submits two drawings to be judged by the standing members. The prospective members are chosen on the artistic value of their work. This talented group of young people meets once a month with Miss Jane White, the sponsor of the club.

This year the club enjoyed interesting lectures and saw many exhibits. A special program on commercial art proved to be particularly interesting and educational.

During the year the members of the club painted scenery for assemblies, and did poster work for the Student Council election campaigns.

Hats off to our artist friends who have painted their way through another successful year!

THE ASSEMBLY COMMITTEE

The assemblies held throughout the year are truly one of the highlights of the school year for all. To whom is credit due for these programs? The Assembly Committee, naturally. The Assembly Committee sets up a varied schedule of programs to give everyone a taste of different kinds of entertainment and education.

The first assembly of the year is the annual welcome assembly in which representatives from each class give an explanation of various facets of school life.

The Christmas Pageant, presented by Miss Payne's and Miss Wiley's first period English classes and by Mr. Elliot's 150 member choir and chorus was beautiful and impressive.

Other assemblies presented the Lynchburg College choir, the annual Talent show, the National Honor Society program, the Awards Assembly, and the Student Council elections assembly.

All in all, one can truly say that Miss

B. Myers, B. Fielder, J. Adams plan an assembly.

JUNIOR RED CROSS

Vital to the school, community, and world, the Junior Red Cross carries out its duties in the best prescribed manner. The E. C. Glass Junior Red Cross, like most all high school chapters, is a working branch of the local American Red Cross. Junior Red Cross members are concerned with helping others. Part of the funds collected are used to send gift boxes to children in foreign countries and school supplies to disaster areas in this country.

Mrs. Pryor, the sponsor of the large, active group, has contributed much of her valuable time to the directing of the worthwhile activities participated in by the Red Cross.

Among these numerous activities has been their participation in the United Fund. This most worthwhile fund grew and flourished in the capable hands of those who unselfishly volunteered their services to promoting the giving toward it.

THE SCIENCE CLUB

For those who have a genuine interest in science and its benefits, the Science Club offers unlimited chances for furthering this interest. With the aid of its adviser, Mr. A. J. Fielder, and the Lynchburg Society of Scientists and Engineers, the Science Club members have advanced their knowledge of science and of its uses in Lynchburg. Through frequent field trips, members have learned about hydroelectricity, water purification, electronic research and manufacturing, and many other local applications.

At E. C. Glass the Science Club has benefited the school by its participation in the PTA Achievement Night activities. This year more space was devoted to science than to any other subject. Through demonstrations and exhibits, many of which had been shown to the club in previous meetings, the club members helped emphasize to parents and friends the importance of science in everyday life.

Under the direction of Miss Lucile Cox, the Latin Club was off to a good start in October with a play about a football game as observed by the gods on Mount Olympus, followed by ghost stories of Pliny.

Other meetings included the showing of slides on Rome by Mr. James S. An inspiring talk by Mr. Robert Lloyd of Randolph-Macon Woman's College was the main feature of the March meeting.

"Le Cercle Francais" opened the 1959-1960 school year with the election of officers and the planning of future programs.

The Club heard many speakers, both Americans who have visited France and native Frenchmen. At one meeting slides were shown of the beautiful buildings and landscapes of France. During other meetings games were played in French, and reports were made by members on important aspects of France.

The Club participated in the Senior Day Parade by riding in a French car with the Eiffel Tower on top.

The year closed with a French banquet in the early Spring and a picnic at the close of school.

Recognition should be given to Miss Wilkinson, faculty adviser, and to the program chairman, Bob McGhee, for the fine programs presented.

SPANISH CLUB

The first meeting of the Spanish Club for 1959-60 was held in November. With Mrs. Knipp as their adviser, the second year students elected officers and plans were made for future meetings.

The December meeting consisted of a Christmas fiesta. The members tried to celebrate Christmas in the way that our neighbors in Spanish speaking countries would. This meeting proved to be fun for all.

At the February meeting the club had a valentine party and each member had to make a valentine. Senor Diego Hall told fairy tales in Spanish after which the club learned some songs in Spanish.

A Mexican dinner with chile and tortillas proved to be fun at the March meeting.

Such programs as these give the students studying Spanish not only fun but valuable knowledge.

The Spanish Club presented outstanding programs for the remainder of their meetings, thus ending a year of fun and knowledge about customs and culture of the Spanish speaking people.

The students in the national organization of the Future Business Leaders of America at Glass will some day be business leaders in our community.

The purpose of this club is to develop business leadership and to encourage members to improve their knowledge, skill, and to seek opportunities in the community.

During the year the F. B. L. A. had many varied and interesting activities. They took field trips to different businesses to learn more about our local firms.

At meetings, skits were given on business life.

The theme this year is "Job Opportunities in the community." Members have been finding out the opportunities for high school graduates and are making a booklet listing all these opportunities to give to students. Their money raising project for the year was selling candy.

For the first time this year a spelling test showing the business skills was sponsored by the state.

The F. B. L. A. activities were not only interesting to the members but purposeful.

The Future Homemakers of America is the national organization of girls studying homemaking in the high schools of the United States and Territories. Any student who is enrolled in home-making is eligible for membership. The club offers an excellent opportunity for the further development of pupil initiative in the planning and carrying out of projects and activities related to home-making.

D. E. CLUB

The D. E. Club, under the capable sponsorship of Miss Anice Howell and Mr. William Nicholls, holds its meetings in the classroom, 3rd and 4th periods, one day each month. At these meetings outstanding speakers from the business field talk to the students. This year the club heard Mr. W. J. Nicholas, executive secretary of the Retail Merchants' Association, Mr. Lawrence H. McWane, executive secretary of the Chamber of Commerce, Mr. J. W. Milam, Dean of Boys, E. C. Glass High School, and Mr. James O'Donnell, Professor of Advertising at Richmond Professional Institute.

The D. E. Club of E. C. Glass served as host club to seven other clubs at the District Convention. Other outstanding activities of the group always are their contribution in money and time to the WLVA Christmas Party, the Employer-Employee Banquet held in May, and a sales campaign held to raise money for the club.

D. O. CLUB

Although this is the first year of a diversified occupations program at Glass, the club participates in twelve different occupations of its members' own choice. A cooperative program is therefore developed between the school and the place of work.

The club holds its meetings in the morning before classes. This year it participated in a district contest at Brookville and also a state convention in Roanoke. Through its work the D. O. Club stresses the importance of citizenship, craftsmanship, fellowship, leadership, and character.

The Y-Teens, consisting of two hundred girls between the seventh and twelfth grades, is under the direction of Mrs. Jeanette Scott and sponsored by the Y. W. C. A.

This year the girls have sponsored a dance every Friday night during the school year for high school boys and girls. The dances were held at the Y. W. C. A. and a local band furnished the music.

The two highlights of the Y-Teens' year were the formal dances held during the Christmas holidays and in the Spring.

In March the clubs sold potato chips for a money-making project. The profits will be used for a trip, which will be taken sometime during the Summer.

TRI-HI-Y

The Glassites Tri-Hi-Y consists of junior and senior girls. At the beginning of the 1959-'60 school year, the Seven Hills Chapter was founded, consisting of eighth graders, freshmen, and sophomores.

These girls live from day to day by the Tri-Hi-Y creed — "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

The Tri-Hi-Y had a float in the Senior Day Parade, heard Mr. Emory Nelson talk on "World Service" and "Boy-Girl Relations," and sold candy and Christmas trees to further World Service.

Each year delegates are sent from the Club to the Model General Assembly in Richmond and to the summer training camp at Blue Ridge, North Carolina.

The Hi-Y is an organization composed of young men between the eighth and twelfth grades who meet once a week at the Y. M. C. A. The meetings are planned for recreation, teen talks, projects, and speakers. Their purpose is "to create, maintain, and extend throughout the home, school, and community high standards of Christian Character." "Clean speech, clean sportmanship, clean scholarship, and clean living" are the elements of the Hi-Y motto.

Because of the great number of boys who have joined the Hi-Y, the clubs have had to split into four groups: the Dixie Hi-Y, the Hilltoppers' Hi-Y, the Cavalier Hi-Y, and the Driskill Junior Hi-Y. The

Dixie and Hilltoppers' groups are composed of sophomores, juniors, and seniors; the Cavalier is composed of eighth, ninth, and tenth graders; and the Driskill takes in eighth and ninth graders.

Under the direction of Jim Raines, the youth secretary of the Y. M. C. A., this organization has completed one of its best years. Some of their projects included selling candy for world service, giving a Christmas party for underprivileged boys, and selling Christmas trees to earn money for a worthwhile purpose. Other activities of the Hi-Y include joint meetings with the Tri-Hi-Y, a trip to New York over the Easter holidays, and active participation in the Model General Assembly.

GIRLS' CHORUS

The last strains of an enchanting melody float through the halls. Who is making this beautiful music? We follow the vibrations and find ourselves in front of 107A. We knock lightly and are greeted by Mr. Elliott, director of the Girls' Chorus.

This class proves to be most inspiring as well as enjoyable. The girls learn how to appreciate good music and to express themselves through music.

This talented, well trained group made four major appearances during the year: they sang at the P. T. A. meeting in the fall; provided background music for the Christmas Pageant and Easter Assembly; and closed their musical season on a happy note with the Spring Concert.

CHOIR

The Choir, under the direction of Mr. Frank Elliott, remained in the Glass spotlight all year. Not only did they render music at many of the assemblies and delight us in the Spring Concert, but they took part in the State Choir Festival in Roanoke, and gave a program for the Music Wing of the Lynchburg Fine Arts Center at the Little Theatre.

Charlynne Moon, Connie Hughes, John Trevey, Victor Vernon, and Jim Tankersley represented E. C. Glass in the All-State Chorus held at Wytheville.

Again this year the Choir gave a spiritual gift at Christmastime with their heavenly music in the Christmas Pageant.

GLEE CLUB

The Glee Club is a relatively small group of sophomore girls, in whose midst some delightfully rollicking incidents occur that more often than not are instigated by their new director, Mr. Elliott.

Music programs such as the one presented at Thanksgiving are usually supported by the melodious voices of the Club. Their voices provide a good background or foreground for the Choir and the Girls' Chorus.

The climax of the years' hard work is the annual Spring Concert in which the entire music department participates.

All is not hard work, however, for as seen in the accompanying photograph of Mr. Elliott, Claudia Hahn, Sandra Brooks, Betty Jennings, and Sue Patterson, genuine pleasure and fun are derived from this close association of talented and hard-working students.

THE ORCHESTRA

Under their capable director, Mr. Vermilion, the orchestra went on the road to take an active part in the State Music Festival and upon returning immediately participated in the annual Spring Concert. In addition to these performances the orchestra will play for the graduation exercises.

The whole student body is grateful to Mr. Vermilion and the orchestra for the fine showing they have made this year.

The E. C. Glass Senior Band, directed by Mr. Cloyd Vermilion, heads the Department of Instrumental Music. The Concert band is composed of forty-nine members who are selected according to their ability from a competitive group.

Band practice begins during the summer months in order to make the band ready to begin its regular season with skills and precision.

During the football season the band was a familiar highlight at parades, pep rallies, and football games helping to cheer the team. This year the band is to go to Washington to participate in the Safety Patrol Parade. In March they will do their part in the District Six Music Festival. Assembly programs have been greatly aided by the high spirited music our band produces from the orchestra pit.

TWIRLING CORPS

"One, two, three, kick!" was one of the familiar routines that kept the Twirling Corps in shape for their various activities throughout the fall.

The Twirling Corps, headed by Becky Chambers, was always striving for perfection when they marched with the band.

The Twirling Corps accompanied the band to Roanoke for the Annual Shrine football game, marched with them at the Virginia Military Institute and Virginia Polytechnic Institute football game and escorted Santa Claus in the Christmas Parade.

The Twirling Corps was organized by Mr. Vermilion in 1958. When he came to E. C. Glass that year, his first objective in the Music Department was the organization of a Twirling Corps.

VARSITY FOOTBALL

Backed by the fine coaching staff of Bradford, Bryan, Sherrill, and Robinson, the E. C. Glass Hilltoppers achieved a 9-1 record, the best since 1950. The big factor which led Glass to its great season was the defense, which held its opponents to 26 points. While the defense was the outstanding point, we cannot neglect to mention the tremendous offense, also, which scored a total of 307 points. Garland Cox, the crashing, 180 pound fullback, led the state Group I scorers with 152 points. Because of their determination to win and their ability to work together as a team, they emerged as the best Glass team in nine years.

The first two games of the season were played out of town, Wilmington, N. C. a new team on the Glass schedule, was greeted by a spirited Glass eleven who outclassed the "Tarheels" 21-12. In Roanoke the following week-end William Fleming found out how stiff our defense was, in losing 18-0 to the big Blue and White.

In the first home game the Hilltoppers trounced W. & L. of Arlington 19-0, followed by a 12-2 victory over a tough Augusta team.

A trip to Danville proved successful as Glass increased its record to 5-0 with a 28-0 romp over George Washington.

In a hard fought game with rival Jefferson Senior of Roanoke the Hilltoppers lost a heart-breaker. With ten seconds left in the game Jefferson tried a desperation pass and completed it to win 6-0.

Although rain postponed the fireworks, the Shrine Game was a great success, with Glass coming out on the long end of a 40-0 score over Covington.

The last three games were easy ones for the fighting Hilltoppers. Benedictine of Richmond lost 54-6, Salem fell 54-0, and Hargrave was defeated 61-0.

At the team's annual banquet, awards were presented to Garland Cox, best back, Reggie Berry, most valuable player, David Carter, best defensive lineman, Don Giles, sportsmanship, and Sherrill Witt, most improved player.

The Western District saw seven Glass players placed on its teams. David Carter, Garland Cox, Reggie Berry, and Don Giles achieved first string, Bill Hughes and Arthur Brown, second string, and Henry Sackett, honorable mention.

Reggie Berry and David Carter made the All-State first team, while Garland Cox received second string honors.

JUNIOR-VARSITY FOOTBALL

The 1959 Junior Varsity Football Team of E. C. Glass, guided on the sidelines by Coaches John Noechel and Jerry Robinson and led on the field by such fine backs as Captain Tommy Hollingsworth, who led the scoring with 54 points, Dennis Tolley, and Ray Gowin, marched to a very successful season with five wins and only two losses.

The J. V. team opened their season with a 27-0 win over the Natural Bridge squad. Next they won over the Amherst Varsity by a score of 28-7 to increase

their winning streak to two, but this was broken the next week by a 12-6 loss at the hands of the Brookville Varsity. Their next game resulted in a 19-13 win over William Fleming, but the next week they lost to Jefferson 21-20. They won their last two games against Hargrave Military Academy 21-0 and Salem 13-7 which ran their season's totals to 133 points to their opponents 59 points.

Both the coaches and the players are to be congratulated for their fine work this season.

FRESHMAN FOOTBALL

Proud! You bet we are! The Freshman Football Team of 1959 under the captainship of Tom Lampman and Pete Leggett compiled its best record in school history, winning seven without a loss. The remarkable point of this record, however, is that they were scored upon in only one game.

The first two games found the Baby Hilltoppers playing on foreign soil at Hargrave and Salem where they won 6-0 and 12-0 respectively. The third and

fourth games against Brookville and Nelson County found the invincible Hilltoppers winning again 18-0 and 37-0. William Fleming also bowed before the Hilltoppers 33-0 in the fifth game.

The sixth game against Jefferson of Roanoke still failed to mar our record. The score was 19-13 in our favor. The seventh game against V. E. S. was easily won 36-0.

Indeed these boys, coached by Mr. Gilbert and Mr. Wood, deserve much praise for their fine showing.

THE HILLTOPPERS UPHELD

VARSITY BASKETBALL

As the 1959-60 basketball season opened, Coach Bryan was his usual pessimistic self; for there were no first stringers returning, as usual the team was smaller than many of its competitors, and the boys were so well-balanced that it appeared difficult to choose the starters. But as the season progressed David Carter, Martin Morris, Lawrence Hyman, Jimmy Cerillo, and Phil Reid soon proved to be a hard-working, well-knit quintet, backed by Buck Wilkins, Henry Sackett, and Mike Crabill. The Glass team made up for its lack of skill and experience by determination. No matter how bad the circumstances were they would always fight hard. This pertinacity paid off for the Hilltoppers as shown by their impressive 15-6 record. In compiling this record the "Bryanmen" finished second in the Western District, and scored a total of 974 points while limiting their opponents to 785. The defensive average per game was 37.38, which was about one and a

half points better than last year's State Championship team.

After the first four games, Glass had an unimpressive record of 1-3. However the losses to Martinsville and Greensboro, North Carolina were avenged later in the season. Out of the remaining fifteen games on the schedule the Hilltoppers lost only two. The highlight of the cage season, however, came during the Western District Tournament. Having drawn second-seeding in the tournament Glass played Andrew Lewis of Salem in the opening game. The headlines in the Lynchburg papers the next morning read: "Glass waltzes past Salem, 49-35." The following night Glass met Halifax County for the championship. About 500 Lynchburg fans crowded into the stands at Danville to see a "darkhorse" team play an experienced and flashy Halifax County quintet. The determined Blue and White played its most superb game of the year, but lost by only one point, 33-32. Truly it was a night to remember.

Coach Jimmie Bryan

Captain David Carter

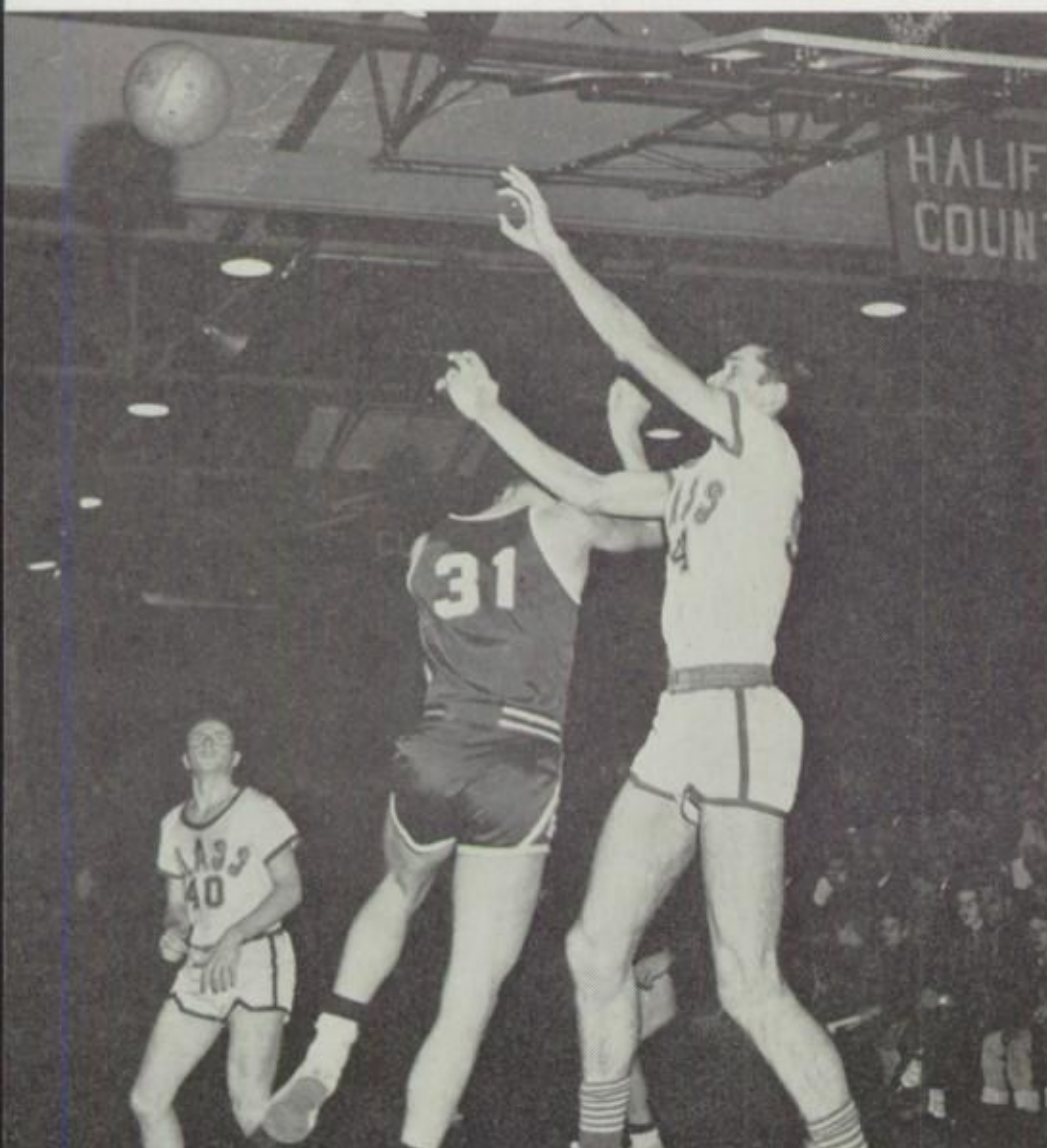

No one thought that the Hilltoppers even had a chance, but through hard work and determination these great boys made the name E. C. Glass High School well known throughout the state.

As fits this typical Bryan-coached team, several squad members received recognition on various teams. Martin Morris, who led the Glass offense with a 10.33 points per game average and a 74 per cent foul shooting average, made the All Western District Team. David Carter

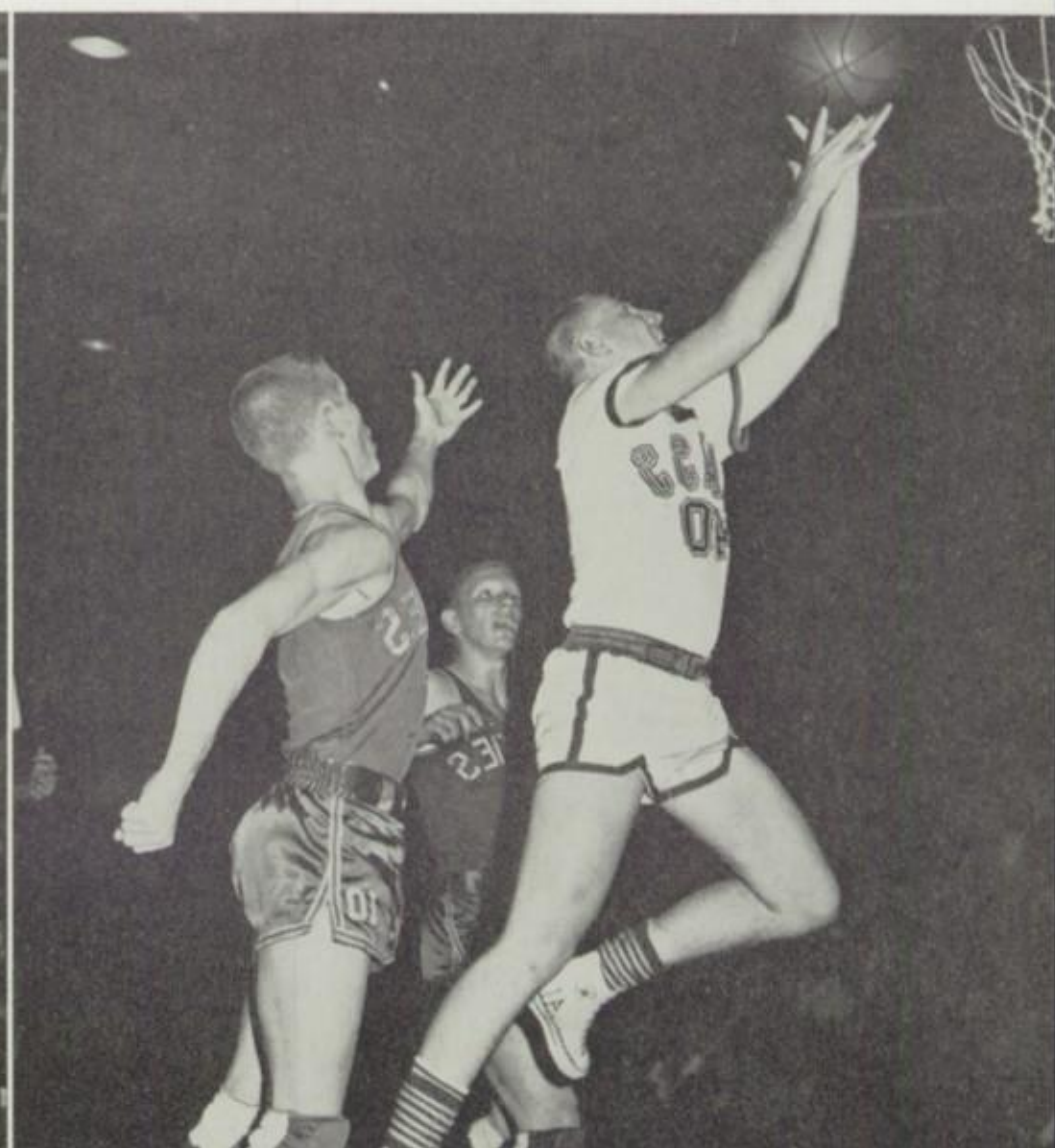

received a place on the second team, while Reid and Hyman placed on the honorable mention squad. Morris also received the honor of being named to the honorable mention All-State team.

This year's team, as most Glass basketball teams are, is a tribute to Coach Jimmy Bryan, who comes up with a top-flight team with amazing consistency. Congratulations to Coach Bryan and the members of the 1959-60 team for a tremendous season.

All Western-District forward, Martin Morris, adds two.

J. V. BASKETBALL

The First. Yes, the 1959-60 Junior Varsity Basketball Team was the first E. C. Glass junior varsity team to beat Jefferson's Junior Varsity team two times in a row in one season.

In compiling 631 points to their opponents' 628, and winning 8 games as opposed to 9 losses, they clinched the Western District crown. This fine record was achieved through the fine leadership of Coach John Noechel and the fine shooting of such outstanding stars as high scorer for the season Tom Lamp-

man, who put in 172 points for the year; Jimmy Cash who tallied 120 points for the season; and last, but not least, Ray Gowin who scored 113 points for the season. These are only three of the fine players who received letters. Some of the others who won letters were H. B. Brooks, co-captain along with Jimmy Cash, Jesse Ford, Luck Sackett, Frank Cofflin, and Kenneth Crawford.

We should all be proud of the fine work of this fine team this year.

FRESHMAN BASKETBALL

Although this year's Freshman basketball team ceded most of its talent to the Junior Varsity, it still played with the zeal and determination needed for a winning team, which they were. Their success can be attributed to the excellent coaching of Bob Bailey and the team spirit which each player had.

During the regular season the "Frosh"

won ten and lost five. In the individual scoring category Captain Bill Anderson led his teammates with 131 points. Blackwell and Mason were second and third with 108 and 104 points respectively.

Congratulations to Bob Bailey and each member of the team for their hard work in making possible this winning team.

TRACK

OUR SPEEDY TEAM

Captain Richard Pugh confers with Coach Bradford.

The 1960 E. C. Glass Track team should be proud of the fine work that they have done so far this year. They started the season out by romping over Lane High 92½ to 20½. Next they ran to an easy victory over Hargrave 94 to 19.

The 1960 Track team proved its ability as a team when it upset Salem 61 to 51. This was the first time Salem has been beaten in 32 track meets.

Some of the other teams Glass will run against are Danville, Thomas Jefferson of Richmond, William Fleming, and Jefferson Senior. The Western District Meet will be held here and the State Meet will be held at William and Mary College.

No one on the track team has broken a record this year, but they have come very close to it. They had a fine turnout for the track team this year with 125 boys. Some of the outstanding boys on the team this season are Davy Jackson, who has scored 30 points so far this season and is the leading scorer for the team; Richard Pugh; who is the team captain and a fine high-jumper; Richard Hawkins, who runs the half-mile; Tom Pinkerton, who has really done a job in pole-vaulting; and Nick Jessen, who both broad-jumps and throws the discus.

We should be proud of these boys.

TENNIS

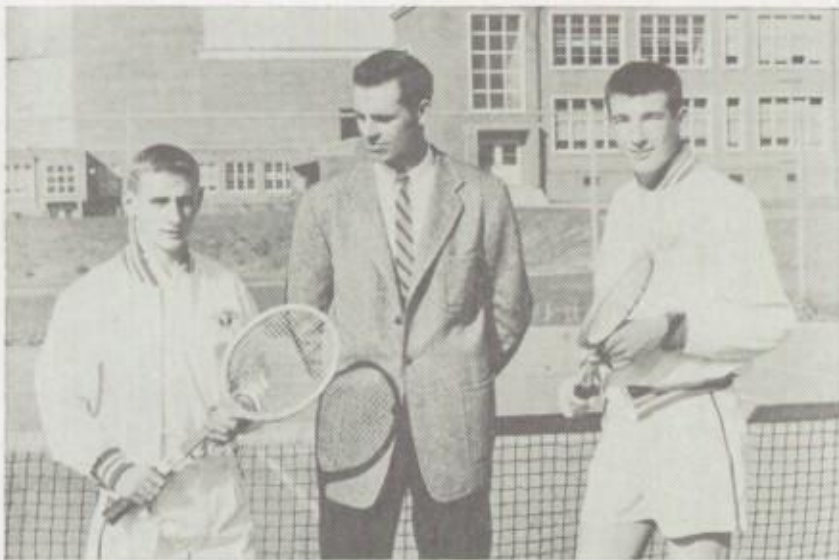

This year's tennis team has five of the first eight players returning—Billy Witt, C. W. Hawkins, Mike Crabill, Charles Rowe, and Clunet Pettyjohn. Along with these five and the other sixteen boys out

for tennis, Coach Bailey plans to have a very good tennis team and a successful season.

The only changes in the schedule are that the team plays Hargrave Military Academy only once, and Andrew Lewis of Salem has been added to the list of opponents.

The singles team consists of the first six players: Billy Witt, C. W. Hawkins, Charles Rowe, Mike Crabill, Clunet Pettyjohn, and Harvey Henderson, Sandy Carrington and Charles Nowlin, the seventh and eighth players, will see action in some of the doubles matches.

Good luck to Coach Bailey and to this year's tennis team, which has a good possibility of winning the Western District Championship.

Each year, midway in the spring semester, baseball fever begins to stir once more. This fever yields to spring tryouts and practices. Then the team. And what a team we have this year! With most of the lettermen back from last year and the acquisition of new talent from the underclassmen, this year's team promises to be the most successful yet. Although the team we have is superb, Coach Noechel has his fingers crossed because of the equally good teams that we play. Under the captainship of Jackie Middleton and the ableness of the players and the coach, the students at Glass are confident of the fine showing they will make.

VARSIITY "G" CLUB

The Varsity "G" Club, although one of the youngest clubs here at Glass, is setting a fine example for some of the older clubs. This past year the Varsity Club continued its growth not only in the number of its members but also in its school sponsored projects. The Varsity Club meets once a month on Wednesday at the school in the Varsity Club Room. Under the

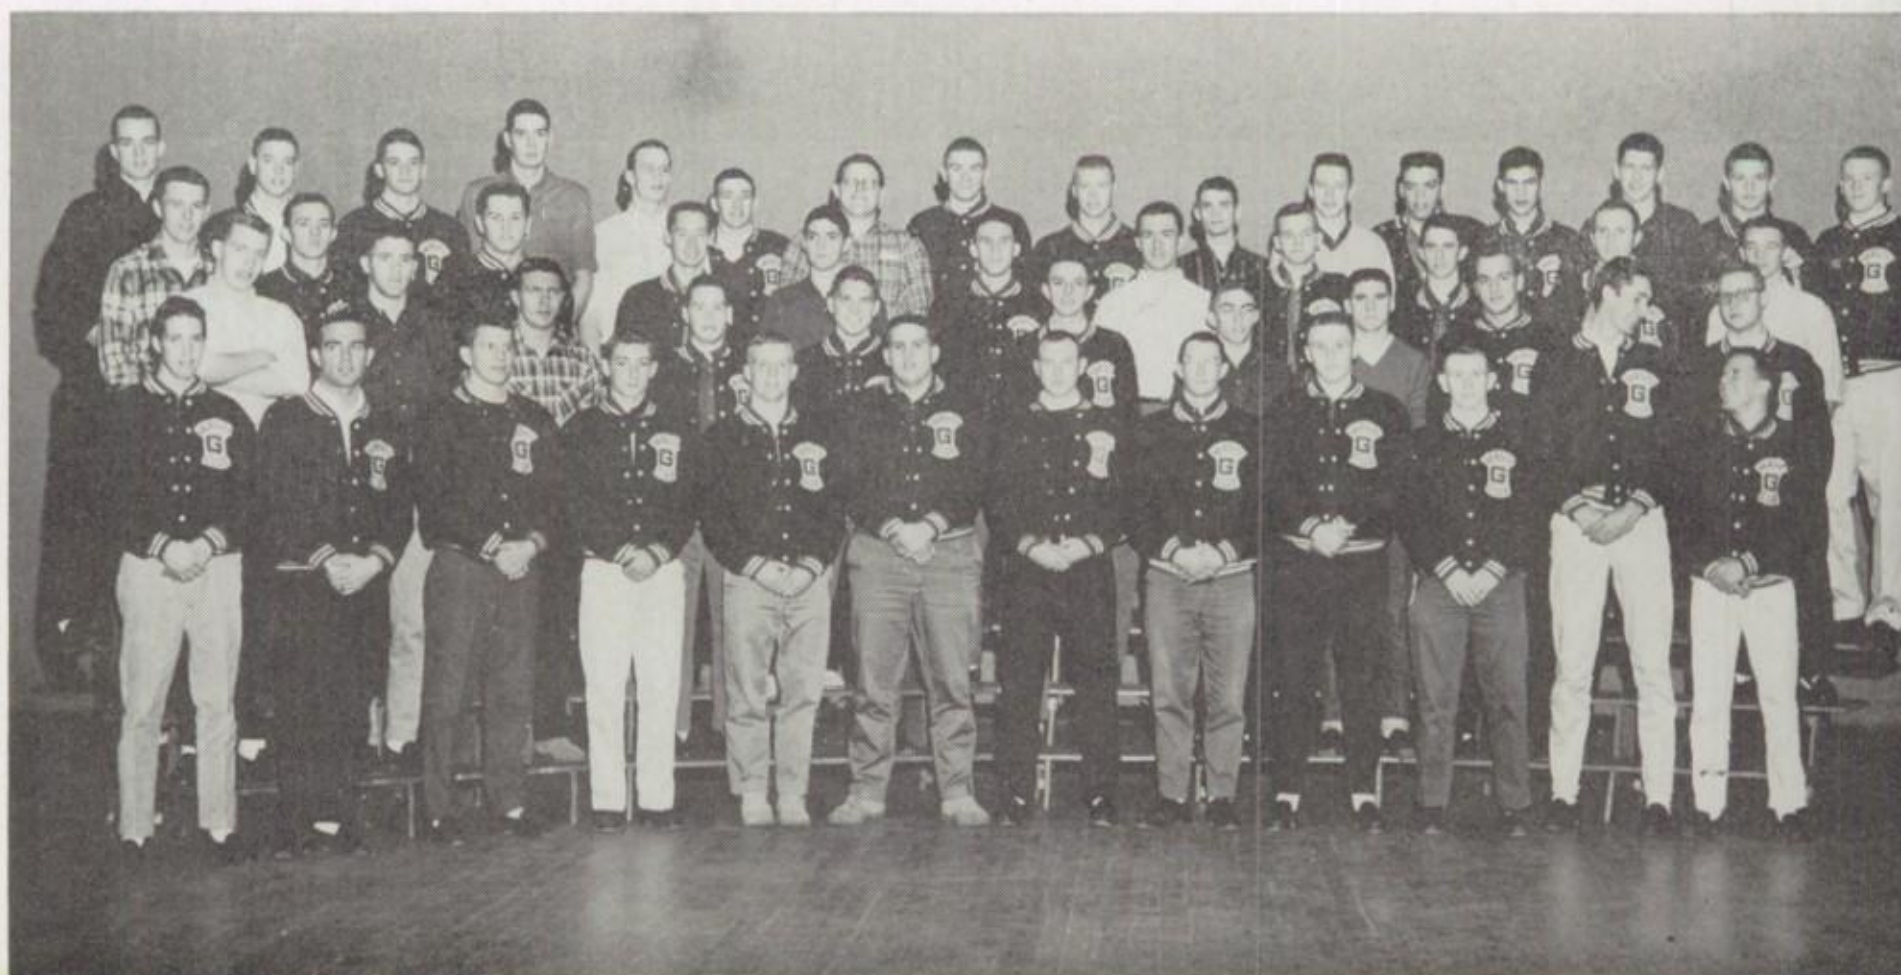

guidance of Mr. Bradford the Varsity Club held two very successful hops and elected a Varsity "G" Sweetheart, who was crowned at the first Varsity Club sponsored hop. Each year it has been the custom of the club to give to the school a memento from the Club. The Varsity Club year closed with the election of officers and the picnic held for the members.

WE STAY ACTIVE

GIRLS' ATHLETIC ASSOCIATION

No matter what your game may be, the Girls' Athletic Association has just the sport for you: hockey, speedball, volleyball, softball, basketball, tennis, and badminton are your's for the asking.

The objective of the G. A. A. is to produce better sports, promote better sportsmanship, give opportunities to score and officiate, and to earn a G. A. A. letter or pin.

Letters are awarded to girls who participate in the various sports and earn 35 points. Points are earned by participation in, officiating or scoring a game, when she is a G. A. A. representative, and when she is on the championship or runner-up team in a tournament.

The G. A. A. sold sweatshirts and ended the year with the "Student-Faculty Basketball Game."

VARSITY CHEERLEADERS

Each year in the beginning of May, twelve juniors and sophomores are chosen as varsity cheerleaders for the following year. They are chosen for their pep, neatness, jumping ability, poise, grades, character, and citizenship.

This year the girls did a really great job under the guidance of Mrs. Martha Meidling who accompanied the girls on

their many football and basketball trips as they cheered our teams to victory.

Practice makes perfect and this is exactly what they do twice a week. This year's head cheerleader was Sandra Burnett, who with her pep and energy, has been a perfect example for the rest of the squad.

JUNIOR VARSITY CHEERLEADERS

Kay Woody, head cheerleader.

This year when the athletic season opened, the J. V. cheerleaders were seen and heard at all the home games and at a few of the out of town games.

Miss Ann Henderson, their sponsor, has given the girls many words of advice concerning the various cheering techniques. Kay Woody, the head cheerleader, has worked hard with the other cheerleaders to keep the squad always improving. The girls themselves also worked untiringly persuading the student body to come out and support the J. V. teams in both basketball and football. Their spirit and enthusiasm was so great that the whole student body felt it and responded eagerly.

After this year, the future J. V. cheerleaders will have to be on their toes to strengthen the morale of the teams as this year's cheerleaders have done.

MAJORETTES

Kitty Sublett

The Majorettes started off the football season around the middle of August with daily practices and plans for the coming season such as deciding how to make the new blue uniforms and making preparations for the coming parades and band trips. They have participated in parades, pep rallies, assemblies, the spring concert and band trips.

Among the new members of the squad there was one very special addition. She is Karen Burton, the mascot. Karen did an excellent job of keeping up with the others in both marching and twirling. The majorettes sometimes felt as if the mascot was stealing the show!

Kitty Sublett, head majorette, with the help of Linda Neighbors did an excellent job with the group.

Rex sent out a call
For food from us all,
But few came to give
So that he might live.

No wrappers to eat
He rose to his feet,
Walked down through the town
And just looked around.

So dark was this day
When Rex ran away.
We all looked for Rex
And wondered, "What next?"

One bright sunny day
With weather like May
Dear Rex was on Main—
His manners quite tame.

Brian Bowen be praised,
Our spirits he raised
When Rex he led
Home safe to bed.

On a bicycle prize
Much to Rex's surprise
Miss Henderson met
Miss Williams' pet.

From then to today
He has promised to stay,
Since we did secure
123,000 wrappers . . . for sure!

symbol of progress...

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.

**START
SAVING
NOW**

Money you save is an investment in your future. Open a Peoples National Savings Account, add small amounts to it *regularly*, and you'll be surprised how fast these add up to a ready-cash reserve. Remember, your savings are *bank-safe* at Peoples National and earn liberal interest, too, compounded semi-annually. For a brighter future, start now on a plan of regular saving. We invite your Savings Account and welcome the opportunity to serve you.

"Be a thrift-teener," says Pat Boone

"Thrift-teeners are teenagers who've learned the habit of saving some of their allowance or job money regularly. In my book it's a pretty good habit to have. And a great place for teenagers to save is at an Insured Savings and Loan. There your money is safe and earns more money for you." So be a thrift-teener. Start saving at our Association today.

We hope so. Because we have interesting jobs for "special" gals here at the telephone company.

If you're alert and like people, you'll like it here. The surroundings are pleasant, the pay is good right from the start—and you'll have lots of opportunity for advancement and raises.

There's a "special" extra, too. You'll have that wonderful feeling of making an important contribution to your community. Come talk to us about telephone work. We'd love to meet you!

TO THE SENIOR CLASS OFFICERS

When Commencement Day is over,
And you're lounging on the beach;
You'll think of how your teachers
Used to yell and fuss and preach.

You'll think of all the scrumptious food
That you used to eat;
And how you used to tease the girls
And stomp their feet.

Ah, high school is a pleasant life—
So free and soft and gay—
But now let's get on to the point,
I can't lie all day.

This is a poem of honor,
Of respect and praise long due
To our assiduous leaders—
Bud Allen and his crew.

First comes that money-mad Wingfield
Who has taken all of our dough;
But if I ever need a quick five-spot,
At least I know where to go.

Miss Scruggs, Secretary of our class can be
The actress of the year,
But there's one little obstacle in her way—
She has to get out of here.

Miss Nelligan, our Veep, is one
Who runs around all day,
And when you see people lying cold in the
halls
You know they got in her way.

If you should try to follow her,
You'd soon lose track, I bet;
But don't get too discouraged,
Reggie can't either—yet!

Bud Allen leads this splendid group
In everything they do.
He's done his job 100%,
But this is nothing new.

He's got the brains, the wit, the charm
To lead us as we go;
And who is this great leader;
I'll be durned if I know.

Some people ask what Bud has got
To ably lead us with;
The answer lies in two short words,
And those words are: Jane Smith.

The year is drawing to a close;
Our high school days are through—
And yet the class is still not done,
There is one thing left to do.

The solemn graduation ends
Which we thought we'd never reach,
But the class officers still have one
more job—
Lead us to the beach!
